Clean &
Organize |
In step by
step fashion

Walk through as a client what do you see?

Restock all products / remove anything you don't use

Go through all your closets and storage areas, clean and purge

Clean &
Organize |
In step by
step fashion

Repair anything that is broken

Replace all light bulbs

Purge any client folders

Clean &
Organize |
In step by
step fashion

Update your color books / make digital

Go through and purge your linens and capes

Finally make a list and order all products you need

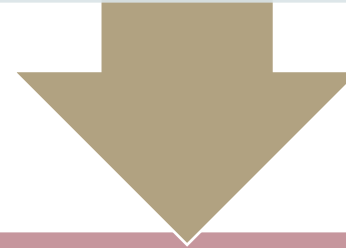

Clean &
Organize |
In step by
step fashion

Now that you have made sure

Everything is
clean

Decluttered

Stocked with
what you need

On May 9th we will go over what it looks
like to be COVID-19 ready for reopening

Clean & Organize | In step by step fashion
